

Ruhpolding
NVC Workshops
30 – 40 participants

Addis Abeba
Tigist Ayele
and seven
staff members

Phase 1
36 women

Trainings in
healthcare,
hygiene, nutrition,
planting of vegetables
and fruits,
sewing, hairdressing,
poultry, baking,
and NVC.

Phase 2
small loan

Women are
building up
their own
small business,
paying back
the loan.

Phase 3
bigger loan

36 Women can ask
for a bigger loan
to expand their
business.

Another 400 women
get trained the
same way like the
first group.

Each woman has in average 5 children
who benefit from the financial
independence of their mothers.

Additionally, another 100 children
are getting schooling material,
uniforms, additional nutrition,
education in children rights.
And all including teachers get a training in NVC.
